Code of Conduct for all pupils traveling to school by bus or taxi

We are all pupils of Kgaswe International School and we are proud of our school. We believe that we need to behave sensibly at all times especially on the transport to and from school.

We want to be safe and comfortable on the buses and we all agree to follow the rules below to make this possible.

- We will be on time for the bus to pick us up in the morning & in the afternoon.
- We will greet and thank the driver and conductor
- We will fill up the bus from the back
- We will not book seats
- We will put our cases under the seats or on our laps
- We will remain seated on the bus at all times and not put our feet on the seats
- We will not hang out of the bus windows or doors
- We will talk softly and politely on the bus and will not distract the driver.
- We will not bully, tease or fight on the bus
- We will not litter inside or outside the bus
- Problems on the bus will be reported to the driver, conductor or at school
- We will respect the driver, conductor and fellow pupils.
